

DB 33

DB 33

The ideal crane: shaped in a masterly way to match working needs.
 La gru ideale: plasmata in modo magistrale sulle esigenze del lavoro.

Great height and load capacity,
 compact transportation size,
 minimal footprint at the base:
 top level performance.

Altezza e capacità di carico elevate,
 dimensioni al trasporto compatte,
 ingombri alla base ridottissimi:
 efficienza al top.

STANDARD FEATURES

- REMOVABLE BALLAST**
- SSM**
- ASD**
- All Systems Down
 maintenance at ground level
- QLS**
- Quick Load
 Limiters Setting

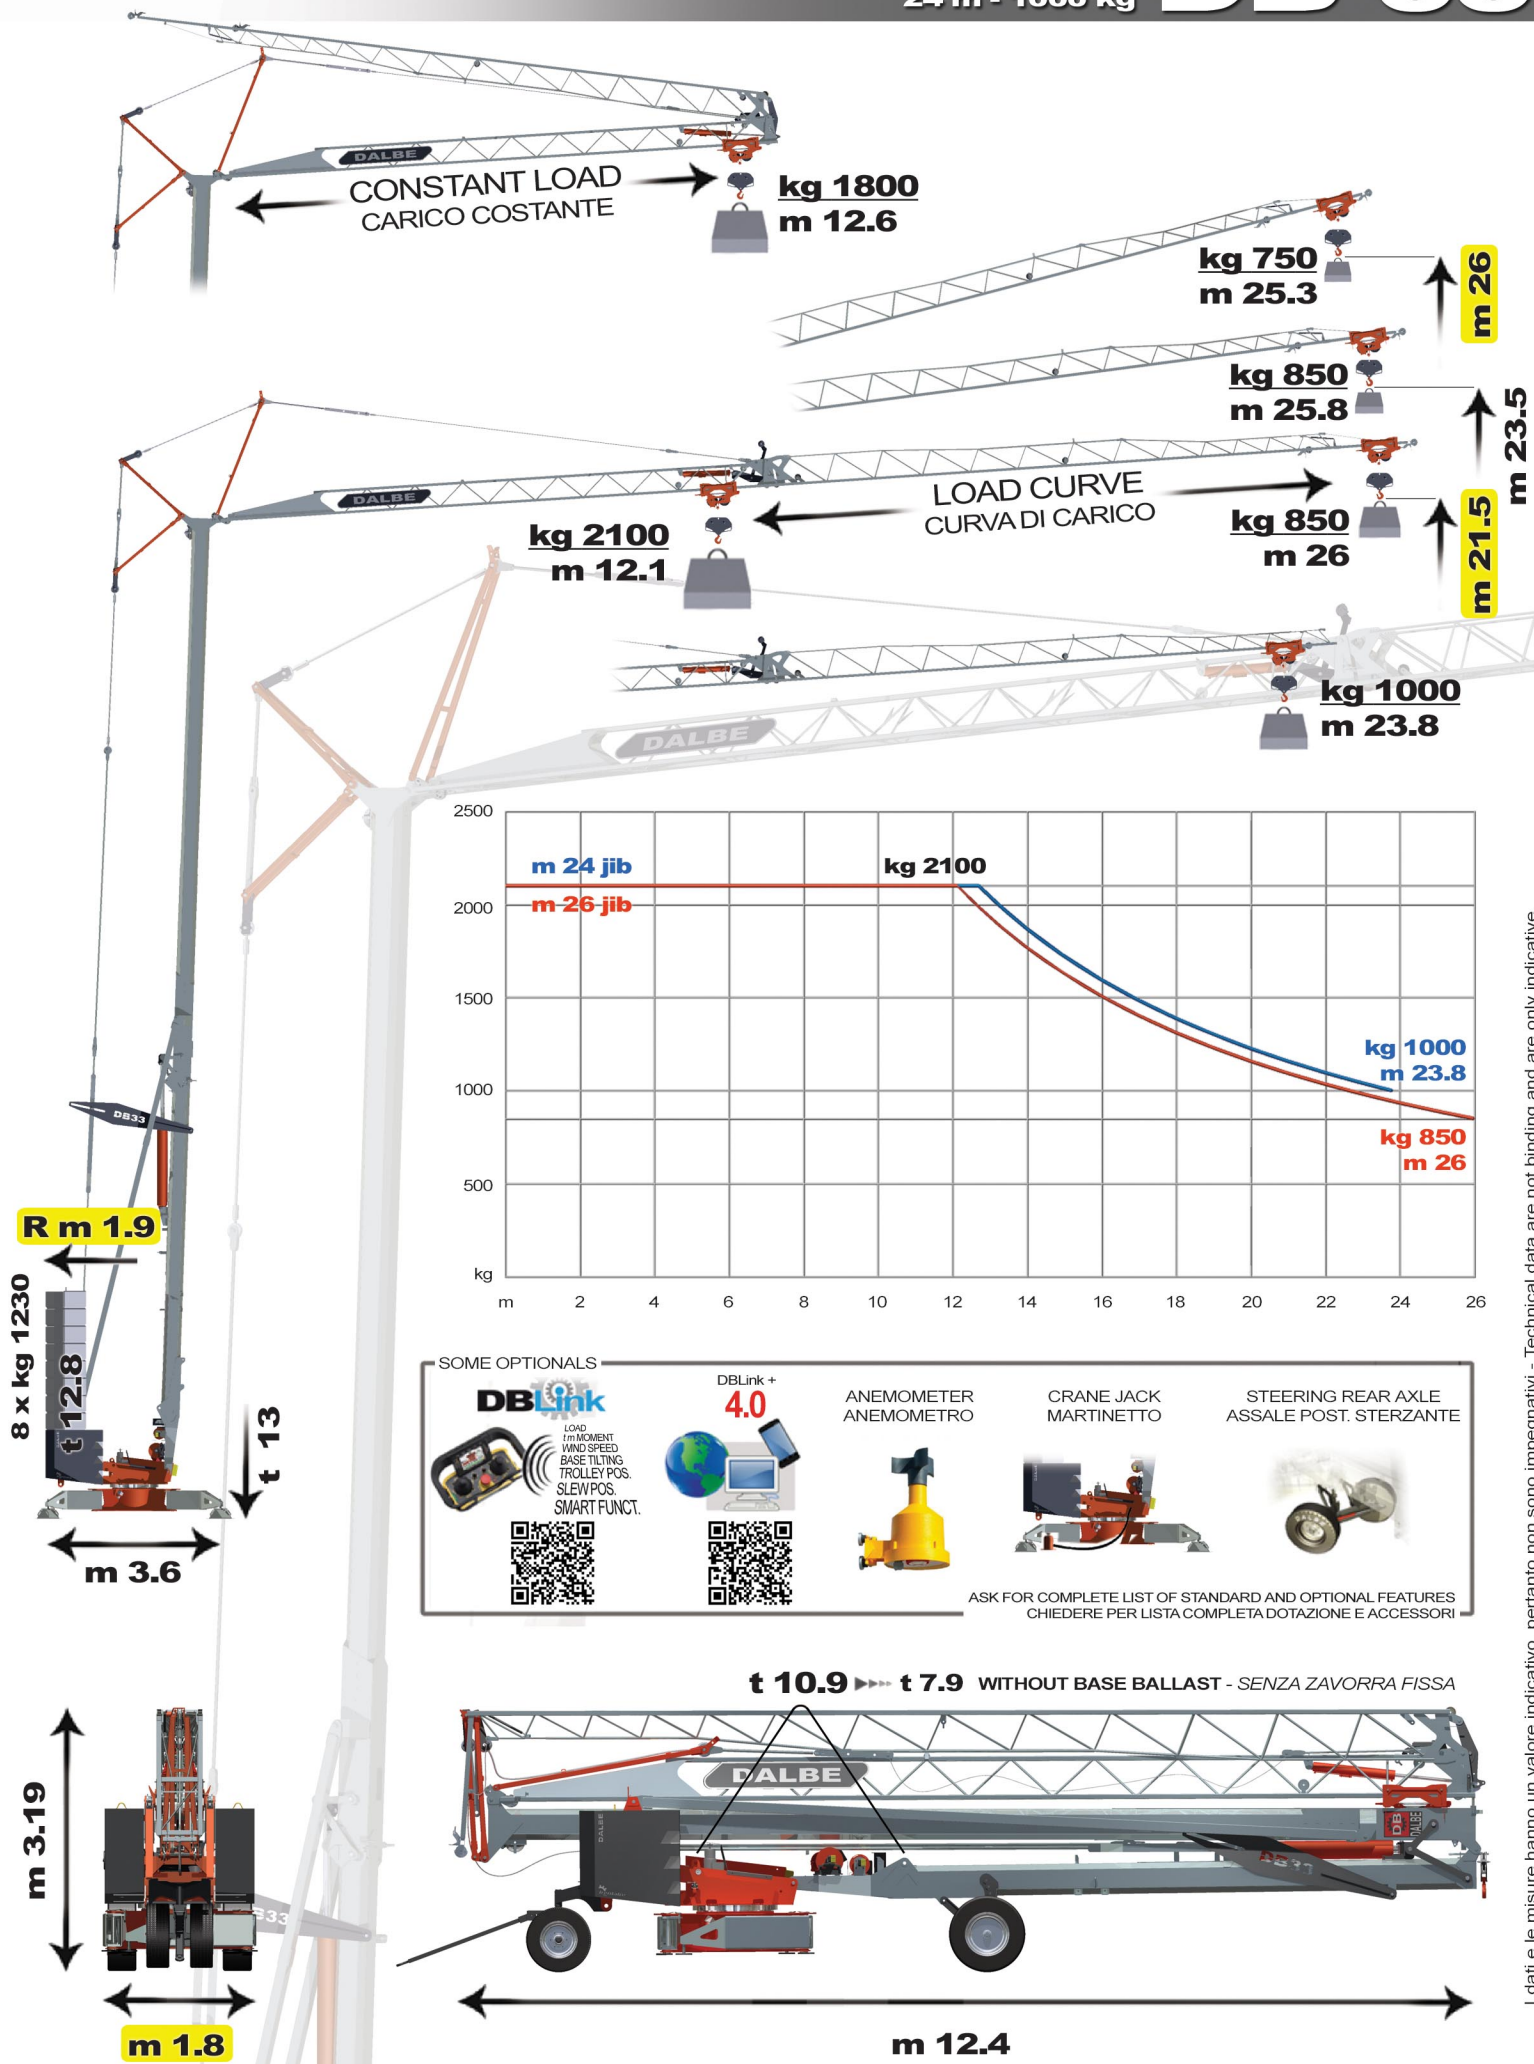

crane and complete ballast on 1 truck
 gru e zavorra completa su 1 camion
